SAIC’s Small Business Opportunities

We seek small businesses with the following:
• Innovative technology solutions and products
• Strong current and past performance
• Technical certifications (such as ISO®, CMMI®, PMP®, ITIL®)
• Necessary industry security clearance
• Customer knowledge and intimacy
• Commitment to ethics
• Financial Stability
• Understanding of federal acquisition processes
• Commitment to building a long-term relationship

Teaming is based on active marketing in advance of the release of a federal government, state and local government or commercial opportunity. Email and articulate the following 6-12 months in advance of the release of an RFP:
• Name of the opportunity and customer
• Unique capabilities relevant to the opportunity
• Past performance that is relevant to the opportunity
• Specific customer relationships and knowledge of their needs for the opportunity

We seek small business subcontractors as well as primes for strategic set-asides.
